

The **Walloon Lake Association's** mission is to preserve, protect and defend the quality, safety and natural beauty of Walloon Lake and its watershed. Your annual membership dues are essential, as they support the Association's activities that will help keep our Lake a beautiful jewel for generations to come.

Walloon Forever!

Water Quality Monitoring

- Organize volunteer water quality monitors
- Perform bi-annual boat counts
- Network with other environmental associations
- Identify threats of invasive species

Environmental Impact Programs

- Promote greenbelt ordinances and enforcement
- Encourage responsible septic system use and maintenance
- Investigate measures to combat swimmer's itch
- Develop and distribute *Property Owners Handbook*

Lake Safety Promotion

- Organize Safe Boating Courses
- Encourage house and dock numbering
- Distribute and post *Marine Manners*
- Utilize lighted navigational buoys at sandbars

Education and Activities

- Provide regular enrichment programs
- Organize Neighborhood Membership Volunteers
- Promote sport fishing and sailing

Government Affairs

- Ensure representation at townships' meetings
- Monitor pertinent Bills in Lansing
- Maintain contact with government officials
- Inform our Members

The **Walloon Lake Association** is funded by your membership dues and the **Walloon Lake Trust and Conservancy** is funded by your tax deductible contributions to the Guardian Fund. Both organizations rely on your support. Thank you!

Membership Directory

The annual directory includes names and contact information for all Members, a geographic locator of lakefront properties, Walloon Lake maps and information, as well as reports and local business advertising.

The Wallooner Publication

Six annual issues keep our Members up to date on Walloon Lake Association and Walloon Lake Trust and Conservancy activities.
