

REQUEST FOR PERMISSION TO HUNT ON PRESERVES OWNED BY THE WALLOON LAKE ASSOCIATION AND CONSERVANCY

I request permission to hunt on the nature preserve(s) owned by the Walloon Lake Association and Conservancy (the Conservancy) indicated below from time to time between **October 1, 2022 and May 30, 2023**. No hunting is permitted on WLAC Preserves between May 30 to October 1 in any given year. I acknowledge that the Conservancy, as a non-profit organization, can permit hunting on its properties only if it assumes no liability for granting such permission and for the actions of any persons to whom permission is granted. In order to induce the Conservancy to grant permission for me to hunt on its specified properties, I agree as follows:

1. I will conduct my hunting activities in a safe manner and in conformity with all applicable federal, state and local hunting laws and regulations. I acknowledge that hunting is inherently dangerous and I assume all risks for engaging in such activities.
2. I will not use bait in connection with my hunting activities.
3. I will not construct any permanent blind and any temporary blind I use will either be made of natural materials or be taken out after each outing. I will remove any materials I use for a blind by May 30, 2023. I will reimburse the Conservancy for any out-of-pocket costs they may incur to remove structures or materials placed on a preserve by me.
4. I will not cut or break down any trees or other vegetation. I acknowledge that camping, removal of plants, dumping or fires are not permitted in any nature preserve owned or operated by the Conservancy.
5. I will indemnify and hold the Conservancy (including its trustees, affiliates or any person (paid or unpaid) who represents the Conservancy) harmless from any damages, liabilities, claims, costs or expenses (whether or not the Conservancy or any such trustee, affiliate or representative has been negligent) resulting from any of my activities on or near any preserve that I have been granted permission to hunt on including, but not limited to, any such damages, liabilities claims, costs or expenses resulting from the injury or death of any person or damage to any property. This indemnification specifically includes any legal costs that may be incurred by the Conservancy in the defense of any action threatened or brought against it.
6. I have no authority to, and I will not, authorize any other person to hunt on any preserve indicated below.
